

Back-mounting Plates, galvanized steel with self-tapping fixing screws

Part Number	for boxes LxH (mm)	Package (pcs/pack)
103238	190x140	20
103249	240x190	20
103260	300x220	20
103271	380x300	5
103282	460x380	5

Back-mounting Plates, insulated material with self-tapping fixing screws

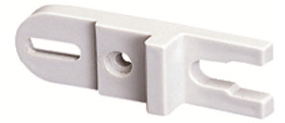

Part Number	for boxes LxH (mm)	Package (pcs/pack)
103293	190x140	20
103304	240x190	20
103315	300x220	20
103326	380x300	4
103337	460x380	5

Insulating Screw Caps, halogen-free

Part Number	Ø (mm)	Package (pcs/pack)
103348	190x140	10
103359	240x190	10

Wall fixing Bracket, halogen-free, complete with self-tapping screws

Part Number	for boxes LxH (mm)	Package (pcs/pack)
103370	300x220, 380x300, 460x380, 190x140, 240x190	40

Coupler, watertight, IP56

Part Number	for boxes LxH (mm)	for holes Ø (mm)	Ø ring nut (mm)	Internal Ø (mm)	Length (mm)	Package (pcs/pack)
103381	300x220, 380x300, 460x380	48	58.5	39	37.5	40

Cable Glands, flexible polymer, IP55, grey RAL 7035

Part Number	for ext. conduits max. (mm)	Mounting holes Ø (mm)	Package (pcs/pack)
103392	16	19	100
103403	20	23	100
103414	25	29	100
103425	32	37	50
103436	40	48	35

Drill Milling Cutter, Multi-Diameter, in HSS steel, for boxes, boards & trunking in insulating material

Part Number	Perforation Ø (mm)	Package (pcs/pack)
103447	3.5-40.0	4

NSYMM Mounting Plates, galvanized steel

Part Number	For enclosures		Weight (kg)
	Height (mm)	Width (mm)	
103458	250	200	
103469	300	200	
103480	300	250	
103491	300	300	
103502	400	300	
103513	400	400	
103524	400	600	
103535	500	400	
103546	500	500	
103557	600	400	
103568	600	500	
103579	600	600	
103590	700	500	
103601	800	600	
103612	800	800	
103623	1000	600	
103634	1000	800	
103645	1000	1000	
103656	1000	1200	
103667	1200	800	
103678	1200	1000	

NSYPMM Mounting Plates, galvanized steel, for PLM enclosures

Part Number	For enclosures		Weight (kg)
	Height (mm)	Width (mm)	
103689	500	500	
103700	750	500	
103711	750	750	
103722	750	1000	
103733	1000	500	
103744	1000	750	
103755	1000	750	
103766	1000	1000	
103777	1000	1250	
103788	1250	500	
103799	1250	750	
103810	1250	1000	
103821	1250	1250	
103832	1500	750	
103843	1500	1000	
103854	1500	1250	

Modular Chassis DLM type for CRN enclosures

Steel with polyester powder finish, grey RAL 7032.
 Fixing Mode: By fixing element - on front and back with supports location.

Part Number	N° of 18mm modules	N° of rows	Dimensions		
			Height (mm)	Width (mm)	Depth (mm)
103865	24	2	353	255	101.5
103876	48	3	453	355	101.5
103887	48	3	553	355	101.5
103898	84	3	553	555	101.5
103909	88	4	653	455	101.5
103920	66	3	753	555	101.5
103931	112	4	753	555	101.5
103942	168	6	953	555	101.5
103953	234	6	953	755	101.5

Modular Chassis DLA type, steel, grey RAL 7032

Multi-purpose.
 Modular distribution application.
 Self-extinguishing insulating for front panel.
 Steel for chassis structure and rails.

Part Number	N° of 18mm modules	N° of rows	Dimensions	
			Height (mm)	Width (mm)
103964	24	2	380	260
103975	48	3	480	360
103986	48	3	580	360
103997	86	4	680	460
104008	112	4	780	560
104019	234	6	980	760

**Forced Ventilation Fan with outlet grille and filter, IP54,
grey RAL 7035**

ClimaSys forced vent. IP54, 38m³/h, 230V,
with outlet grille and filter G2

Part Number	Flow Rate (m ³ /hour)	Outer dimensions (mm)	Opening (mm)	Voltage
104030	38	137x117	92x92	230VAC
104041	85	170x150	125x125	230VAC
104052	165	268x248	223x223	230VAC
104063	300	268x248	223x223	230VAC
104074	560	336x316	291x291	230VAC
104085	850	336x316	291x291	230VAC

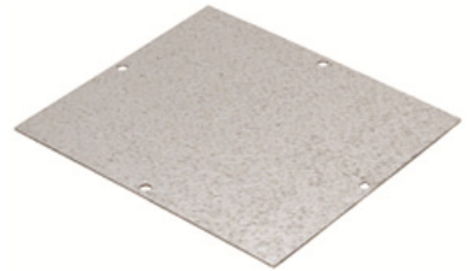

Outlet Grille ClimaSys CA, thermoplastic, IP54, grey RAL 7035

ClimaSys ventilation system. Injected thermoplastic (ASA PC).

Part Number	Outer dimensions (mm)	Opening (mm)
104096	137x117x13	92x92
104107	170x150x15	125x125
104118	268x248x18	223x223
104129	336x316x18	291x291

Back-mounting Plates in galvanized steel for metal junction boxes

Part Number	For enclosures LxH (mm)	Package (pcs/pack)
104140	128x103	10
104151	155x130	10
104162	178x156	10
104173	239x202	5
104184	294x244	5
104195	392x298	5
