

**Handlamp 60 LED Rechargeable**
**Part-no. 104892**
**Technical Data:**

- Special resistance polycarbonate cover
- 12V,2.7W
- 240LM/1400LUX/60 LED X 10000MCD
- On-Off switch at the bottom
- 1.5m cable charger
- IP 54 protection
- 3 hours constant lighting duration
- Charger 220-240V

**Handlamp 15 Watt with energy-saving lamp**
**Part-no. 104903**
**Technical Data:**

- Special resistance polycarbonate cover
- ABS plastic
- 220-240V,15W,E27 base
- On-Off switch
- 5m cable
- IP 54 protection

**Handlamp PL 11 Watt**
**Part-no. 104914**
**Technical Data:**

- Special resistance polycarbonate cover
- 220-240V
- On-Off switch
- 5m cable
- IP 54 protection

**Handlamp flexible, German 60/100 Watt**

**Part-no. 104925**

**Technical Data:**

- PVC grip
- Protection glass for the lamp
- Metal protection net for the glass
- Porcelain E27 lampholder
- IP 20 protection

**Part-no. HX-005** - 60W

**Part-no. HX-006** - 100W

**Handlamp Explosion-proof 60 Watt**

**Part-no. 104936**

**Technical Data:**

- PVC grip, high-resistance
- Explosion-proof glass for the lamp
- Reinforced HD metal protection net for the glass
- ATEX Certificate
- IP 56 protection
