

LT3 protection relays with thermistor short-circuit detection (PTC)
Units with automatic reset, thermistor short-circuit detection & no fault memory.

Part Number	Voltage	Contacts
111698	15V AC 50/60Hz	NC
111709	230V AC 50/60Hz	NC
111720	24V DC	NC

Units with automatic reset, thermistor short-circuit detection, fault and voltage signalling indicator (LED) on front face & no fault memory.

Part Number	Voltage	Contacts
111731	115/230V AC 50/60Hz	NC+NO
111742	24/48V DC	NC+NO
111753	24...230V AC 50/60Hz or DC	2NC/NO

Units with manual reset, thermistor short-circuit detection, fault and voltage signalling indicator (LED), test & reset button on front face & fault memory.

Part Number	Voltage	Contacts
111764	400V AC 50/60Hz	NC+NO
111775	24/48V AC 50/60Hz	NC+NO
111786	115/230V DC	NC+NO
111797	24/48V DC	NC+NO
111808	24...230V AC 50/60Hz or DC	2NC/NO
